OTHER BUSINESS:

Paying for tournaments:

The 3 on 3 tournament that was held in September and the 7th grade red & white tournament with 6th grade red team part taking in the event raised \$5800 before the season started. The referee donated their time. After discussion the board made a discussion to pay for tournaments as long as there is money available. If a coach is interested in getting in another tournament, all he or she needs to do is contact the president of the board and the treasurer that particle team would like to pick up another tournament.

Need to remember that our coaches are not getting paid for their job as coaches. They are donating their time and knowledge. There are opportunities for coaches to learn new skills such as Coach Dahl's camps in the summer; come in and watch the drills. Ask for help, from any of the high school coaches, etc. We as parents need to show respite to the coaches at all times.

The scoreboard at the main gym at the high school is not working correctly. The school will be replacing it soon. Wondering if Cardinal Flight would contribute some money to the replacement cost of the scoreboard. The cost of the scoreboard is unknown at this time. Will need two scoreboards for the main gym. Hopefully, Cardinal Hoops, wrestling, volleyball, booster club can also contribute to it.

The 8th grade Red and White teams had a home tournament on February 3rd, as well as the 5th grade Red, White and Black teams. Will have full concessions at Middle School and High School.

Elections for Volunteer positions will be held in April.

Discussion about State Tournament on March 10th to Madison, to watch the girls tournament. Problem in the past was people would sign up for the bus, but would not show up on the day of the trip. After discussion it was decided, if an individual wants to go to Madison, they can make their own arrangements.

If a coach/parent has a concern about bad concessions, referees', etc, at a tournament, the coach should complete a complaint form and sent it to Terri Green at "The Greater Northwest Basketball League" and she will follow up on the complaint.

Referees': can charge more if they are certificated.

February 4, 2007

With the 2007-2008 Cardinal Flight season there will be 5th grade try outs. The child will be elevated on her skills. Then the decision which team she would be on will be made at that time.

A motion to adjourn the meeting was made by Steve Bedford and second by Francis Adams at 4:08PM.
