

CARDINAL FLIGHT MONTHLY MEETING

October 8, 2006

Meeting was called to order at 3:04PM, by Kip Knez.

Discussed in length about the “League Championship Tournament,” that will be held at the Chippewa Falls, on November 11th and 12th. Will need to have all parents from all Cardinal Flight teams help with concessions, from the setup to cleanup on Friday, Saturday and Sunday. Team parents of each team will need to notify all their parents when they will need to work and to bake 2 dozen cookies, bars, etc for the tournament. Remember that the cookies and bars will need to be warped individually, before bringing them to the tournament.

The 6th grade red team will be playing in this tournament. The parents will be working when the 6th grade team is not playing.

Will be using the high school, Parkview, Southview and Hillcrest for tournament sites. Each site will need a tournament director. The following individuals volunteered:

Jim Niblett - Southview
Brick Hopkins - High School
Jamey Knowlton - Hillcrest
Brad & Pam Moran - Concession Coordinators
John Shear - Parkview

Looking at having full concessions at the High School and Parkview and limited concessions at Southview and Hillcrest.

Will need to have a list of cell phones for the tournament directors. List will be provide prior to the tournament.

Kip Knez will provide poster board for each school.

Tim Leis will work with the High School girls getting help to run the clock and keep score for the two days.

Meeting adjourned at 3:45PM.
